When arriving on the day of testing:

- Complete the MCC self-assessment before coming to campus, or if you do not have access to the self-assessment, you will be asked the COVID questions upon arriving at campus.
- Log back in to the website using the same credentials you created the account with.
- Click "*Register a COVID-19 test*".
- Click "*Yes, I have a test kit*"
- Answer the next few pages of yes/no questions and check the boxes when required.
- When you get to the picture of the test kit and the spaces to enter a barcode – **STOP**. This is where you will need to be when you enter the test site.
- Check in at the desk before entering. You will either swipe your MCC ID, or give your name and the program you are in.
- Go get your spit collected 😊
