

Application to the Practical Nursing Program

Thank you for your interest in the LPN program at Monroe Community College! The LPN program is a 13-month program with 1200 hours of clinical, lab, and classroom hours. Students must maintain attendance in classroom/lab/clinical, prove competency in LPN skills, and maintain a minimum of 80% (79.45%) grade in each course to continue to the next quarter. Each applicant should consider many factors, to include:

1. As a clock hour program, attendance is mandatory.
2. Each student should figure 2 hours of outside study, homework, or other to every one classroom and lab hour.
3. Flexibility is required to accommodate the completion of required hours. Please take a moment to look at your schedule to assure that this works for you and your family.

Admissions Requirements

To apply for the Practical Nursing Program applicants must:

- Have proof of a United States high school diploma or GED diploma
- Proof of US Citizenship or legal status allowing enrollment in program
- Be at least 18 years old to obtain a New York State Practical Nursing license.
- Successfully pass Test of Essential Academic Skills (TEAS) test (minimum score of 41 in reading, language, math, and science)
- Submit a professional application packet to the program
- Professional Interview

Application Process and Packet

1. **Schedule Professional Interview at least two weeks prior to application deadline**
 - Call (585) 685-6287
 - Select an interview time (if available)
 - Provide your name, phone number, and email
 - Watch for an email providing you with an interview time
2. **Letter of interest, professional resume, and application.**
 - Simple Microsoft Resume Template can be used
 - Letter of interest merely needs to state date, name, address, statement such as “Please accept my application for the LPN program. I have attached the following documents for your review: ...”
3. **Copy of high school diploma/GED**
4. **3 Letters of reference:** 2 Professional (1 from a current Supervisor, both must be on company letterhead) and 1 from an outside resource/support person who is in a position to help and assist the candidate throughout the 13-month program. Must contain signature.
Although a template will not be provided, a suggested request letter is provided in the packet.
(Note: If a candidate has attended training programs at MCC, performance in that program will be considered when selecting candidates to the LPN program.)
5. **TEAS test scores with minimal score of 41 on all four sections**
 - a. All candidates who attain a Proficient score on all four sections are invited to continue to apply directly to the LPN program.
 - b. Candidates that do not attain Proficient on all four sections but attain a Basic in at any one of the four exams will be invited to attend a Clinical Bridge class to strengthen their academic foundation prior to applying to the program.
All candidates must pass each of the four TEAS exams with a Basic score or higher.

6. **Professional Essay:** In this essay include why you should be selected for this program, why you would make a great LPN, and any other factors that you think should impact the team's selection decision. Remember that this will be evaluated as an academic and professional writing sample.
 - Rubric attached
7. **Complete an Academic and Financial Plan**
 - An academic plan is a student's intended schedule with all responsibilities indicated to include study time, class time, homework time, work schedule, etc. This is your time management plan. Any calendar template will do – please provide one month as a sample. In the notes section of the page, please indicate any significant life events that may impact one's ability to attend class, study, or complete homework.
 - Fall schedule: Two nights per week, Friday, Saturday (8-4) and Sundays (630-330) for clinical.
 - A financial plan details a person's current financial circumstances throughout the year-long program. The recurring financial responsibilities, income, outside obligations (birthdays, etc). This is to provide assurances to both the student and the program that each candidate has a viable plan to sustain themselves and their family throughout the year long program. Microsoft has a spreadsheet or google monthly budget (docs.google.com).
8. **Complete and submit the provided Health Release form (attached to the packet)**

Acceptance

Selections are based on the following criteria and subject to available seats:

- A. TEAS test scores:
 - a. Individuals who achieve proficient in all four sections will be reviewed first.
 - b. Individuals who receive proficient overall and 45 or higher on all four sections will be reviewed second.
 - c. Individuals who receive Basic and Basic overall and have attended the Bridge program will be reviewed last.
- B. Review of submitted material
- C. Performance in Bridge program or other training programs at MCC

The admissions team of instructors, coaches and administrator will consider the applicant's TEAS test scores and the required documents in order to make the best selections. Candidates will be notified within 2 weeks of submission date.

Preparing to Apply

Upon indicated interest, future applicants will be e-mailed information about the content of the entrance exam (TEAS 7) as well as resources to help prepare.

Resources, such as a study guide and outline practice test (TEAS 7), can be purchased directly through [Assessment Technologies Institute \(ATI\) \(https://www.atitesting.com/teas/study-manual\)](https://www.atitesting.com/teas/study-manual).

In addition, a TEAS test preparation course is also offered at MCC. This is an optional course designed to improve reading comprehension, review scientific knowledge, and enhance math skill. Instruction in test taking strategies and effective study skills is included. Taking this course does not guarantee placement in the PN program. Please call at phone number to obtain course schedule offerings.

Clinical Bridge Program

To better prepare students for the content and rigor of an LPN program, MCC offers a Clinical Bridge program for individuals who have successfully passed the TEAS test with a minimum score of 41 on all four test sections (Math, Science, Reading, and English Language). Throughout the four weeks (20 hours per week) prior to the start of the LPN program, students will gain a greater foundation in the content areas of Math, Science, and English, as well as study and test taking strategies. Students will get a feel for the structure and rigor of an LPN program to better inform their choice to enroll and their plan for success. This is offered as a P/F. Students must pass to be considered for enrollment in the LPN program.

Medical Clearance (Health Release Form)

Medical clearance must be obtained in order to participate in this training program. This immunizations/ blood work verification requirement is indicated on the authored physical examination form and **MUST** be completed by a physician.

Tuition Payments/Costs

Currently, MCC has obtained grant funding for the TEAS test prep, the Clinical Bridge program, and most of the LPN program. Applicants will also be required to apply for funding through RochesterWorks or other outside funding entities.

- To be eligible, applicants will need to complete paperwork and follow up with Success Coaches.
